

One contact, a world of agents

EnrollerRecruit is your K-12 marketing partner, helping you grow and diversify your international student roll.

Promote your school to a world of agents

Growing and diversifying your international roll is a time-consuming process. So you dedicate time to building and maintaining relationships, hoping your effort pays off. That's where we come in. EnrollerRecruit is a marketing and recruitment partner dedicated to K-12 schools. It's one place for schools to get in front of thousands of agents and a place for agents to discover a world of schools.

EnrollerRecruit places your school on an even playing field with larger, more resourced schools. That's right, with EnrollerRecruit, it is not about the size of your marketing budget; it's about whether your international program is the best fit for the student.

Global marketplace for K-12 schools and agents

Our marketplace makes it easy for agents to discover and learn about schools. It's the place to host all essential information and collateral so agents can sell your school to their students.

Dedicated Partner Success Manager

When you sign-up to EnrollerRecruit, you'll get a dedicated partner success manager who will ensure your school and your profile are set up for success.

Marketing activity to promote your school

We offer opportunities to showcase schools outside of the marketplace through our webinars, newsletters and in-product advertising. We're more than just a marketplace.

EnrollerRecruit Key Features

Profile your school

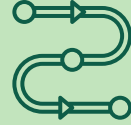

Create a comprehensive profile of your school to showcase your international program and everything your school offers. It's simple to put together a profile. We will guide you through the process. No more low-quality enquiries soaking up precious time.

Grow reach with one contract

One contract with EnrollerRecruit gives you access to a range of agents worldwide, over 2500 at the last count. No need to manage and maintain relationships with large numbers of agents; we'll help you drive agent engagement within our community.

We work with your processes

We don't expect you to change your processes to accommodate our systems. Our team will work with your processes, ensuring agents get the information you need to process applications quickly. You'll receive pre-qualified inquiries and applications.
